MACON COUNTY, GEORGIA is "MY" County. I was born in Miami, Florida but moved to Macon County at three years of age. At Four, I moved to the property on which I now live. This should explain my interest and my willingness to share "MY" county with you.

My reason for typing the 1850 Census is that I have so many family connections here beginning with the formation of Macon County in 1837. I simply wanted to look at every inch of the census, myself, and while doing so, I might just as well type it for future reference for myself and for you.

There were many almost readable names, this necessiated using some other references. When I found something of interest, I added that info as I went along.

My main references were:

1838 Tax Digest of Macon County, Ga. (1st on record)
1840 Census
1852 Tax Digest (2nd Tax Digest on record)
[Fire destroyed the Courthouse in 1857]
1860 Census
1870 Census
History of Macon County by Mrs. Louise Hayes.
1830-1840-1850-1860 Census of Houston Co.,Ga.
Marriage Records of Houston Co., Ga.
Marriage Records of Macon Co., Ga.

Where I have two (2) birthstates listed - I typed the one found on the microfilm in the regular birthstate colums - the other was found in one of the references and was added.

At the far right of each page, I have added for example, (+1852 TD) which means this person was also in 1852 Tax Digest of Macon Co. OR (+1860) meaning this person or family was also found in the 1860 Census, etc.

In using the Index, you will find:

A name could appear on a page more than once.

A name could appear in "Occupation" column, if I found it in a reference.

A name could appear in ( ) as a female's maiden name found in references.

A name could appear in ( ) if I found the full name in addition to the initial used in the census.

Neighboring Taylor County was formed in 1852. If your family was in Macon Co. in 1850 and 1852 Tax Digest but not in 1860 Census, you will probably want to check Taylor Co.

INTRODUCTION

On behalf of the Central Georgia Genealogical Society and its Publications Committee, I wish to express our gratitude and appreciation to Mrs. Davine V. Campbell of Marshallville, Georgia for her contribution of the 1850 Census of Macon County, Georgia. Her work has been donated for publication by our Society.

The 1850 census of Macon County is difficult to read and some pages were microfilmed out of order. Mrs. Campbell has arranged her abstractions in the order that the census was microfilmed. She has made every effort to identify hard to read names and to cross check questionable spelling with other available records. She has also added references to earlier and later censuses, tax lists, histories, etc., for many names.

Mrs. Campbell has also contributed the following publications which we have published: 1840 Census of Macon County; 1852 Tax Digest of Macon County; 1870 Census of Macon County; Marriage Records of Macon County 1858-1880; 1822-1829 Land Records of Houston County, Vol I and Land Records of Houston County 1829-1831 Vol II. She has also contributed her abstraction of the 1838 Tax Digest and her abstraction of Deed Book E of Houston County which is in process of publication as Vol III. She is also working on additional deed books of Houston County, Crawford and Macon Counties for future contribution to our Society.

Again our thanks to Mrs. Campbell for volunteering her service to accomplish these most needed genealogical projects. Our hat is off to her and we hope she is an inspiration for other society members to make like contributions.

It should be noted that Macon County was named for Nathaniel Macon, a North Carolina statesman. It was the ninetieth county created in Georgia and was taken from Houston and Marion counties in 1837 and county boundaries have changed and overlapped many times in this region. The land now Macon County began as part of four original land lot counties: Houston, Muscogee, Lee, and Dooly. Oglethorpe is the county seat.

POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U.S. Internal Revenue Service has determined that the society is a tax-exemption organization under Section 501(c), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

AREA: The Society's geographical area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical and heraldic data;

To inculate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues for 1992 are: $20.00 for individual membership; $25.00 for family membership (husband and wife, or two related persons in same household).

TRAINING: At least twice each year the Society conducts classes for beginner genealogists. These classes are free for members in good standing.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and may vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information, such as: microfilming old newspapers, abstracting and publishing county court records, federal census records, cemetery records, etc.

(continued)

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. Many other societies, who are members, receive our QUARTERLY. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Minimum coverage of four generations is required. Our computer designed charts provided for as much information on the fifth generation as the second, third and fourth - most charts provide much less. Give us as much complete information as possible on available forms and separate paper.

MEETINGS: The Society holds regular monthly meetings with planned programs. These meetings are currently held at the Flint Electric Building, 1600 Elberta Road, Warner Robins, Georgia at 7pm on the third Thursday of each month. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guest are always welcome to attend regular meetings of the Society. Our current membership covers many states and we invite you to join our Society. For a membership application write to the Corresponding Secretary at address shown in the heading above or call (912) 953-3114.
